October was a busy month as we saw some lockdown restrictions lifting. We are pleased that we are now able to have clients come into our office. We can't wait for you all to see our new premise!

Trish was lucky enough to be invited to the office of **Virtual Wings Pacific** where they conduct simulated flights.

Trish sat in the cock pit of a Airbus A320 . Virtual Wings have a great flight simulation facility for trainee pilots, pilot license renewals and endorsements and aero plane enthusiasts. Thank you to Captain Massimo Massa for the invitation. You should check it out - take the kids you will be blown away!
