ANNIVERSARY

It has officially been 1 year since we made the move to our new premise in Clyde North! We are loving the new offices and have received a lot of great feedback on the ease of accessibility to clients!

Certification of Documents

If you require certified copies of documents, please be aware that there is a small fee involved for this. Whilst it may seem like a simple task, it does require a lot of work behind the scenes to obtain the original document and have copies of this certified. Contact our office if you need certified copies of a document or further information.

If you are acting as attorney for somebody else, there is certain legislation and steps we need to follow to ensure the protection of the person you are acting for. Whilst we understand at times it can seem like a difficult process and our requests for verification or documentation may seem time consuming, we must legally ensure each step is undertaken correctly. If we do not do this, we are not protecting the client and would be breaching our duty of care. We thank you for understanding!
