What is an Enduring Power of Attorney?

Read Now

An Enduring Power of Attorney is a legal document that lets you appoint someone (an attorney) to make certain decisions of an aforementioned matter for you. Their power to do so carries on whilst you are unable to make decisions.

You can elect your own Enduring Power of Attorney, so long as you are over the age of 18. You are only able to pick your own Enduring Power of Attorney, you cannot pick anyone else's. It is also important that you remember this person cannot make any medical decisions unless they are also your Medical Treatment Decision Maker.

If you have any more questions about the Enduring Power of Attorney or would like to discuss your own options in regard to topic you can get in touch with us by calling us on 9707 1155 or you can send us an email at - admin@wslegal.com.au
